The Power of 'Simple' By Helen Hope

50%

of UK creative industries are neurodiverse

35%

of UK entrepreneurs are dyslexic

dyslexic thinking was recognised by LI in 2023 as a valued skill

neurodiversity impacts communication

of the world fear public speaking more than than death

2+ decades in creative industries within Retail

Serial Entrepreneur (7 Start-Ups)

I live with Dyslexia

I live on LinkedIn

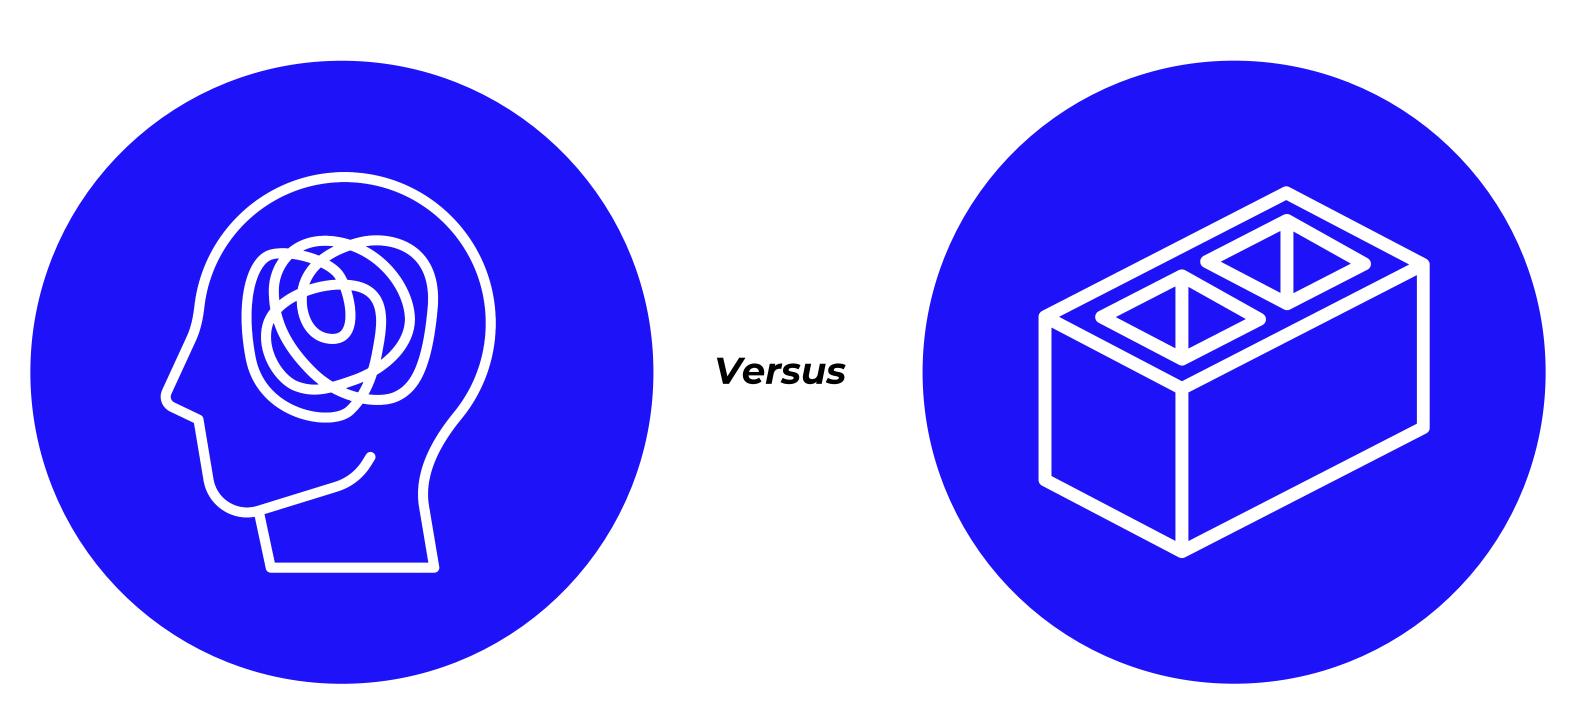

I fear Public Speaking

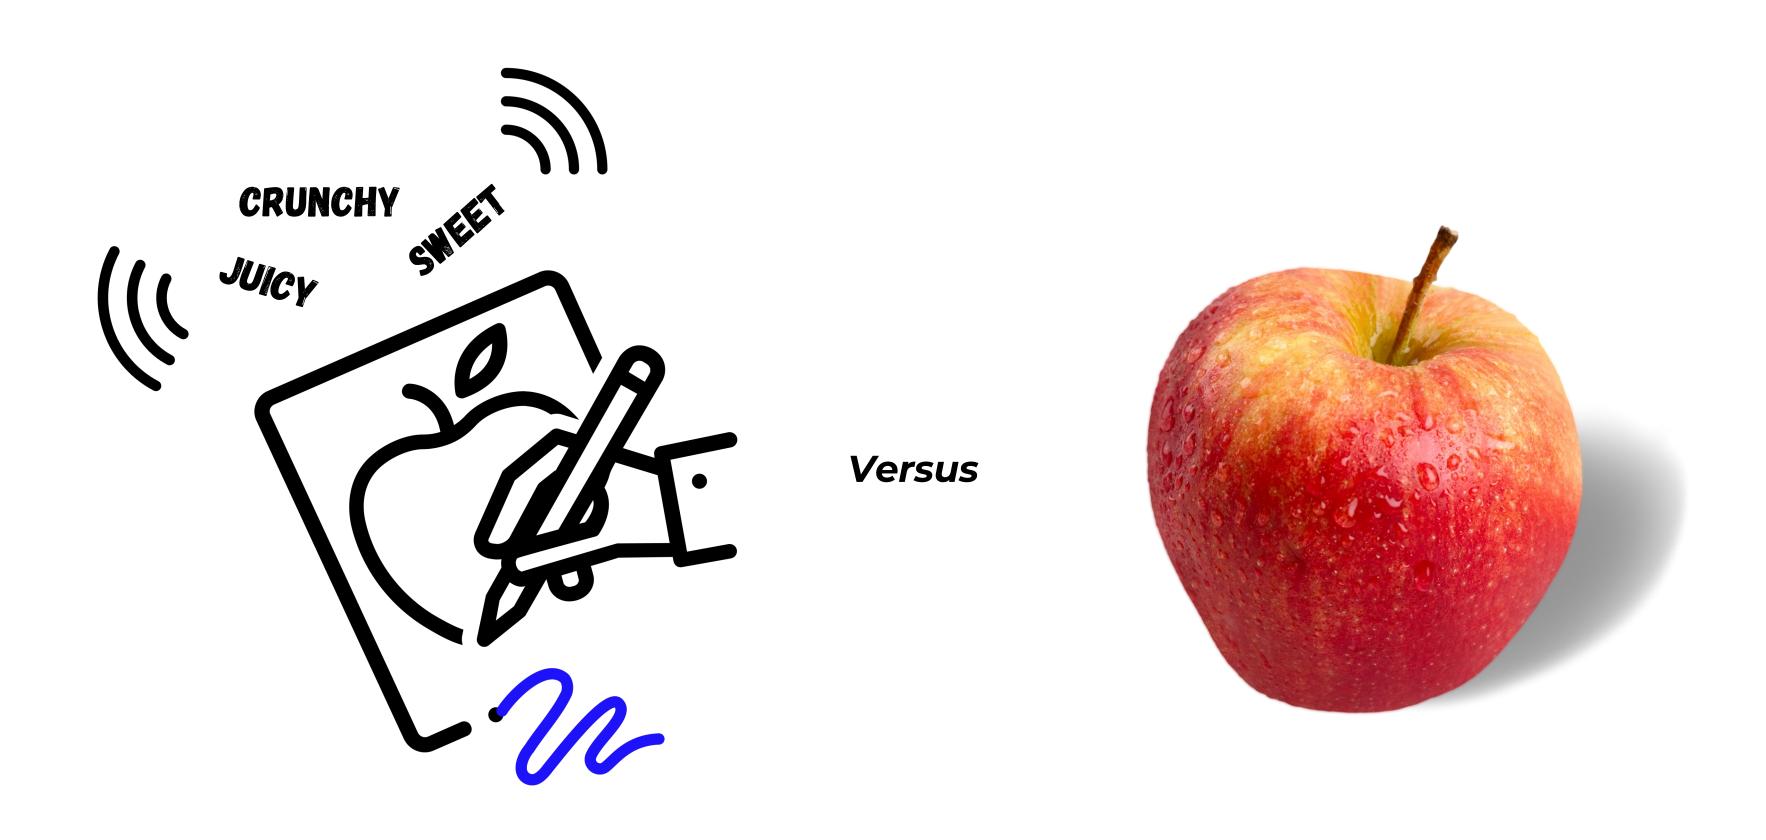

The Power of 'SIMPLE'

Abstract Thinkers

Concrete Thinkers

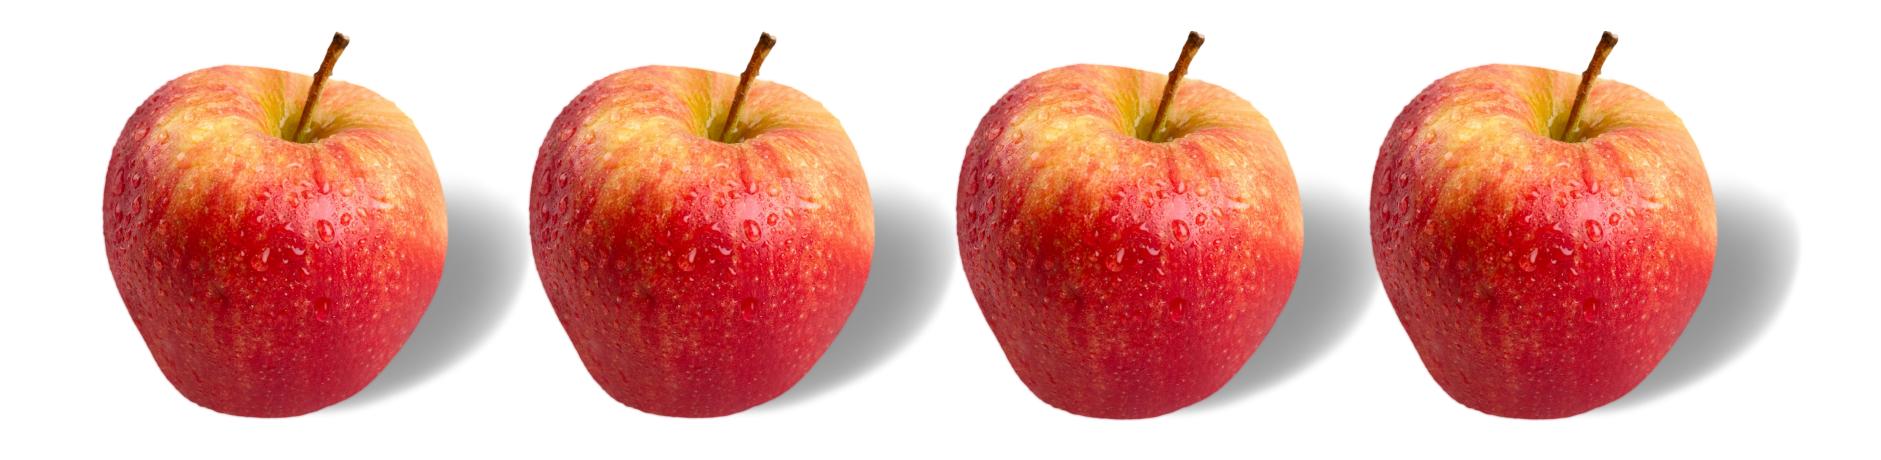

WORDS IMAGES SOUNDS

How does abstract thinking help us?

What's the danger of concrete thinking in business?

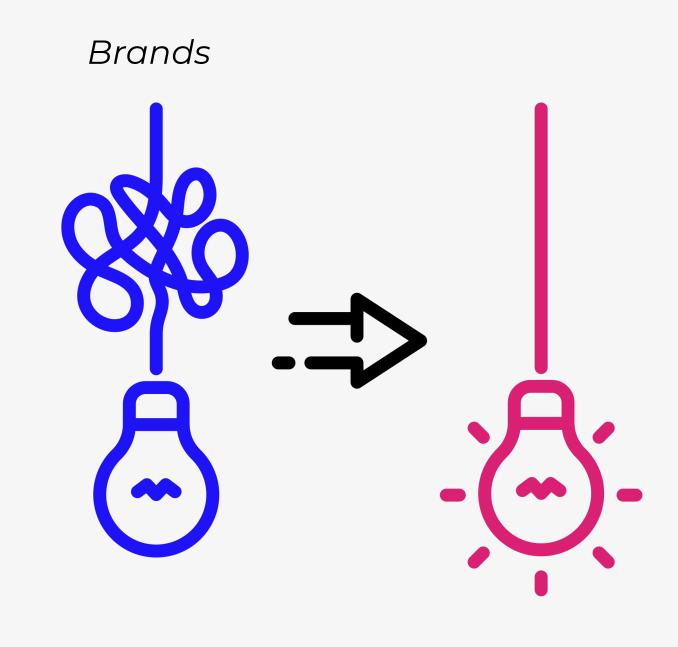

Why Does 'Simple' Matter?

Too Many Options = Decision Paralysis

1 Message 2 Messages 4 Messages 100% 65% 43% effectiveness effectiveness effectiveness

Message Effectiveness

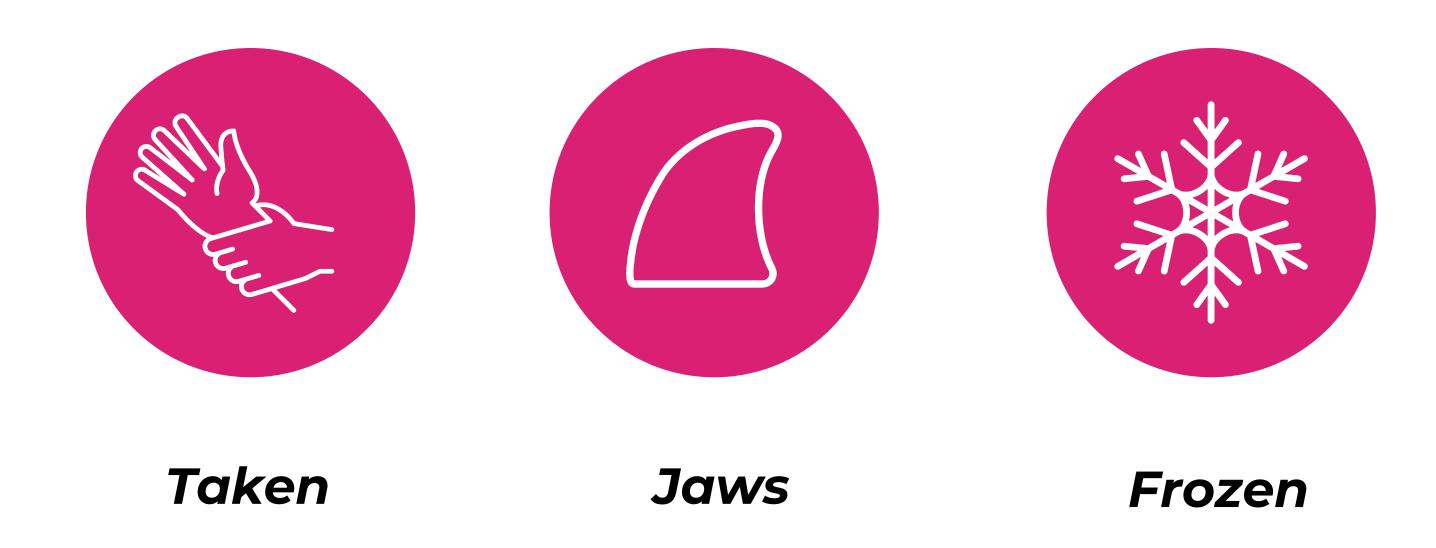

How can we use abstract thinking to help us?

Marketer

Let's play a game!

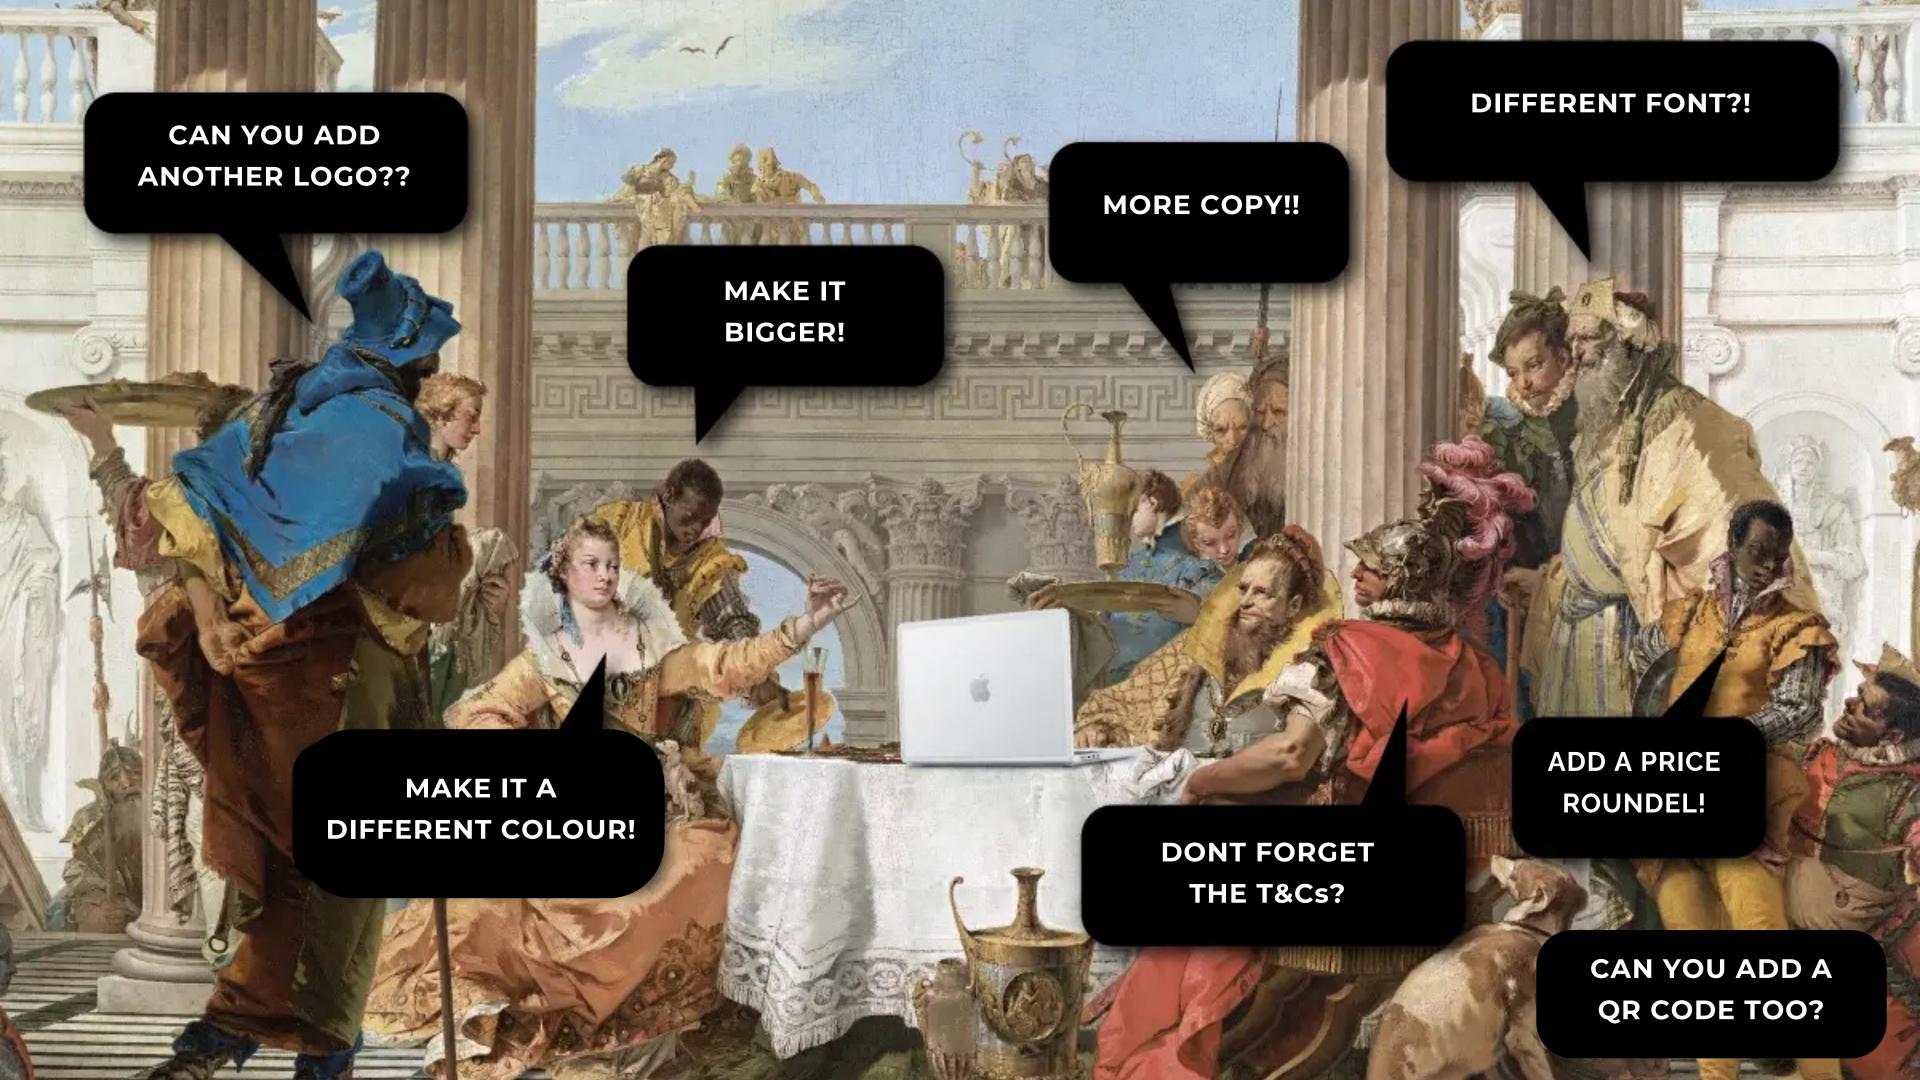

Complex Stories - Simple Statements

CRISPY,
REFORMED
POTATO SNACK,
STACKED IN A
TUBE, AND
AVAILABLE IN A
VARIETY OF
FLAVOURS!

Simple = Confidence

Memorable

Hypoallergenic

Safer Nail System

US Made Uk Bottled

Customer centric solution
Single minded

USP focused - Helpful brand
Consistent customer journey

Sounds like Hema

Disruptive human touch

HONA

Live The 'Simple' Life

Simplicity Resonates

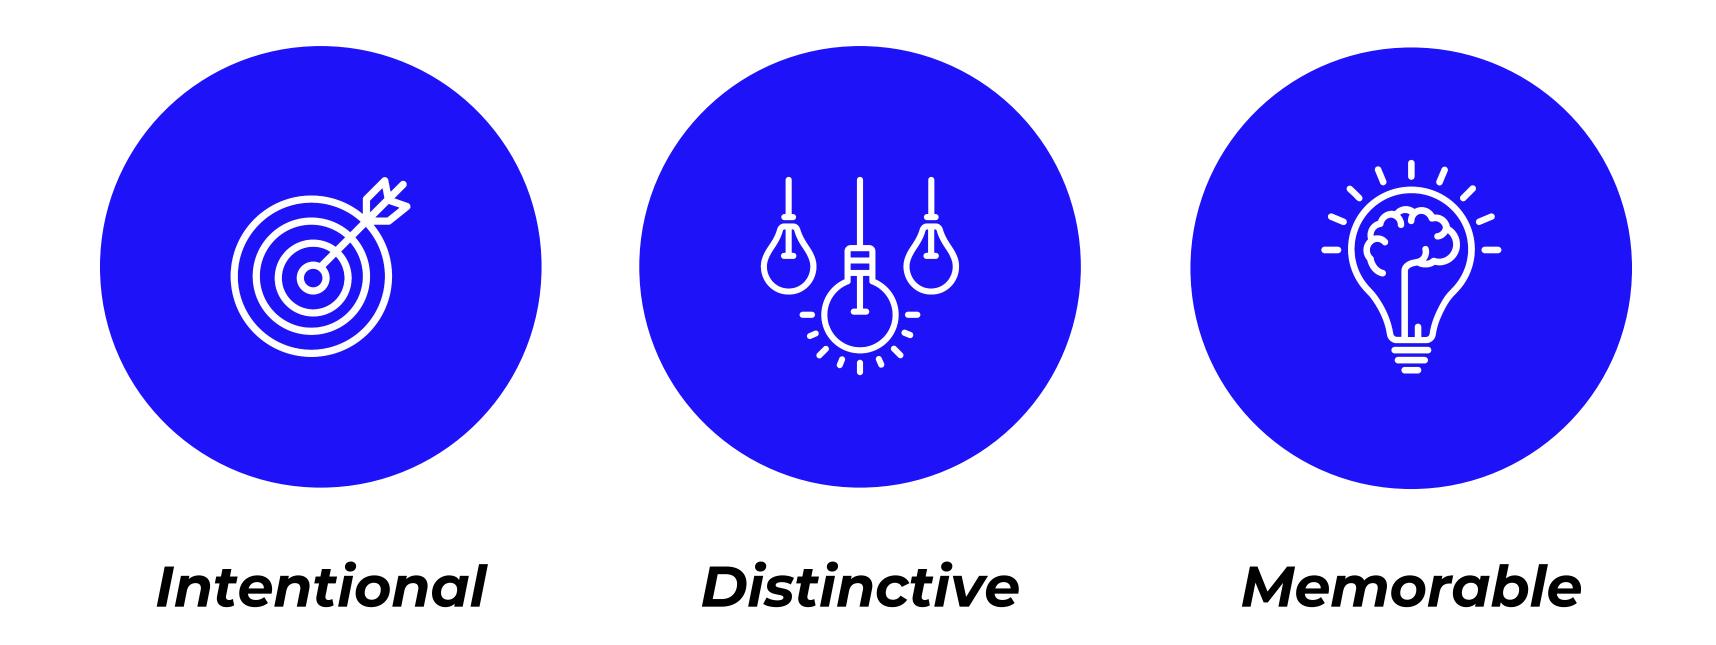

Communication Matters

Storytelling is Memorable

Keep It Simple Stupid

Thank You
